

Katun® Performance™ Monochrome Toners for use in

Triumph-Adler LP 4235 and LP 4240

Printers

Katun PNs: 39619, 39620 • OEM PNs: See Page 2

Katun is pleased to announce the introduction of two top quality new-build toner cartridges for use in Triumph-Adler printers

Note: Products shown represent Katun products in this category.

The introduction of these Katun® Performance™ toner cartridges for use in the very popular Triumph-Adler LP 4235 and LP 4240 machines adds to Katun's existing product offering for use in Triumph-Adler monochrome printers. These products provide the ideal combination of cost-savings and high-quality performance, while offering outstanding reliability and consistency. To enable full compatibility with managed print systems (MPS), these new-build Katun® Performance™ cartridges come standard with an RFID chip, just like the OEM cartridge.

Benefits:

◆ Reliable Toner Performance

These Katun® Performance™ new-build toner cartridges have been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing performance. You'll receive industry-leading performance from these reliable, profitable OEM alternatives.

◆ Reduce Supplies Costs & Improve Your Profitability

Every business, whether large or small, is looking for ways to gain a competitive advantage. These products offer OEM-equivalent performance at a significant cost savings, which means you can improve your profitability without sacrificing quality.

◆ Excellent Print Quality

These new-build toners are the result of Katun's commitment to quality and provide the outstanding performance and remarkable print quality that is synonymous with the Katun® Performance™ brand.

◆ A Growing Line You Can Count On

Katun's line of products for use in Triumph-Adler printers continues to expand with the introduction of these highly anticipated toner cartridges. Triumph-Adler dealers who have previously purchased Katun® toner cartridges because of consistent performance, high print quality and significant cost savings, will be equally satisfied with these new Katun® toner cartridges which now include the RFID chip to allow for full MPS functionality.

Machine Overview

In 2009, Triumph-Adler introduced the LP 4235 and LP 4240 printers. These machines are ideal for small to medium-size businesses, as well as workgroups up to 10 people. This machine is compact in size and delivers print speeds up to 35 ppm and a 6 second or less first-print time.

Models	Speed (PPM)	Mfg Status
LP 4235	35	Current
LP 4240	40	Current

Product Characteristics

Models	OEM	Katun	Yield*	Chip	Priced per/sold in
LP 4235	4423510010	39619	12,000	Yes	Priced each/sold each
LP 4240 DC 2340/2440 DC 6140/6240	1T02J10EU0	39620	15,000	Yes	Priced each/sold each

* OEM Stated Yield; actual yield may vary depending on machine application, machine condition, and usage conditions.
