

Katun® Performance™ Color Toners for use in

Konica Minolta MAGICOLOR 1600W

Printers & MFPs

These Katun® color toners provide outstanding print quality and performance in these popular Konica Minolta printers!

Katun PN: See page 2
OEM PN: See page 2

With the introduction of this new Katun color toner set, Katun adds another imaging product to an already comprehensive line of high-quality color toners for use in Konica Minolta printers and MFPs. This new Katun® Performance™ color toner set provides outstanding performance, remarkable print quality, and significant cost savings. As these printers are still actively being sold by Konica Minolta, the new Katun® color toner set provides dealers with immediate and long-term profit opportunities.

Benefits:

◆ **Choose Katun® Color Toner for Consistent Color Quality and Performance**

These new-built toner cartridges fit, install, and perform similar to the equivalent OEM products, which helps make the transition from OEM toner to Katun® Performance™ toner seamless for your customers. These toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Color reproduction
- Image quality & density
- Yields
- Fusing performance

◆ **Katun's Toner Formulation for Konica Minolta Printers Provides Exacting Color Matching**

Using toner formulas developed specifically for Konica Minolta MAGICOLOR 1600W printers ensures that you'll receive excellent image quality and OEM-equivalent color reproduction; like other Katun® Performance™ products, these toners will meet or exceed the expectations of your most demanding Konica Minolta color customers.

◆ **Cost Savings without Risk**

Not only do these Katun® Performance™ color toners provide significant up-front cost savings, their consistent performance and reliability ensure that your true cost savings remain high. You can increase your profits without the risk of poor machine performance or customer dissatisfaction.

◆ **Extensive Line of Consumables for use in Konica Minolta Devices**

Katun offers a comprehensive line of toner cartridges for use in today's most popular Konica Minolta monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.
