

# Katun® Performance™ Colour Toner for use in

## OKI C801/821-series

### Printers

Katun PN: See Page 2 • OEM PN: See Page 2

### These Katun color toners provide outstanding print quality and performance in OKI C801 and C821 printers!

Katun® introduces a group of remanufactured color printer toners to our comprehensive line of high-quality Katun Performance™ toners for use in OKI printers. This new color toner set provides outstanding performance, remarkable print quality, vibrant color and significant cost savings. Although these printers have been discontinued by OKI, these toners still provide dealers with immediate cost savings and profit opportunities.

### Benefits:

#### ◆ Choose Katun Toner for Consistent Quality and Performance

You can trust Katun – these new color toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & colour reproduction
- Yields
- Fusing performance

#### ◆ Reduce Your Supplies Costs; Increase Profitability

Gain a competitive advantage by switching to Katun. These toners offer OEM-equivalent print quality at a significant cost savings, which means you can improve your profitability without sacrificing quality. While these printers are no longer actively being sold by OKI, the new Katun color toners will provide dealers with immediate cost savings and improved profit opportunities.

#### ◆ A Seamless Transition for You and Your Customers

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. These Katun Performance™ toner cartridges are developed and manufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

#### ◆ A Growing Line You Can Count On

Katun offers a comprehensive line of toner cartridges for use in today's most popular OKI monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.

## Machine Overview

Introduced in 2010, this series of 32ppm printers is ideal for small sized workgroups that require color printing in a compact sized device. The C801 is for workgroups that print mostly A4 documents while the C821 is for groups that product A4 office documents and A3 sized full color posters, booklets and other large sized documents.

Model	Intro	Speed (PPM)	Mfg Status	Functions
C801	Q2-2010	32	Discontinued	Print
C821	Q2-2010	32	Discontinued	Print

## Product Characteristics

Model	Colour	OEM PN	Katun PN	Yield*
C801/C821	Black	44643004	47853	7,000
	Cyan	44643003	47854	7,300
	Magenta	44643002	47855	7,300
	Yellow	44643001	47856	7,300

*\*Actual yield may vary depending on machine application, as well as machine, environmental and usage conditions.*
