

# Katun® Performance™ Color Toners for use in

## Samsung CLP and CLX

### Printers

Katun PN: See Page 2 • OEM PN: See Page 2

**You'll receive outstanding print quality and dependable performance with Katun remanufactured toner cartridges!**

Katun is excited to add three new sets of remanufactured color printer toners to our comprehensive line of high-quality Katun Performance™ toners for use in Samsung printers and multifunctional devices. These color toners provide outstanding performance, remarkable print quality, great color reproduction and significant cost savings. While some of these printers have been discontinued by Samsung, others are actively being sold, so these Katun toners can still provide immediate and long-term savings and profit opportunities on this popular line of color devices.

### Benefits:

#### ◆ Reduce Your Supplies Costs

Every business is looking for ways to increase profitability. These toners offer excellent performance at a significant cost savings, so you can save money without sacrificing quality.

#### ◆ Choose Katun Toner for Excellent Performance

You can trust Katun – these new color toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & color reproduction
- Yields
- Fusing performance

#### ◆ A Seamless Transition for Your Customers

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. These products are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

#### ◆ A Comprehensive Line for Your Samsung Machines

Katun offers a comprehensive line of toner cartridges for use in the most popular Samsung monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.
