Note: Images shown represent Katun products in this category.

The introduction of this new toner expands Katun's large and growing offering of high-quality toners for OKI printers and MFPs. This new-build toner has been subjected to Katun Performance 360° quality certification and provides reliable, consistent, industry-leading performance. Best of all, dealers who purchase this toner will enjoy significant cost savings vs. the OEM toner – a competitive advantage, especially during challenging economic times.

Benefits:

◆ Toner Performance You Can Trust

Katun® Performance™ toners have been developed and rigorously tested to provide outstanding image quality, image density, page yields, fusing performance, and complete compatibility with the OEM toners. Katun's testing and evaluation protocols ensure industry-leading performance, giving you a reliable, profitable OEM alternative.

◆ Expense Reduction – When You Need It Most!

In today's economic environment, every business, whether large or small, is looking for cost savings and other competitive advantages. This new Katun® Performance™ toner offers you just that – significant cost savings versus OEM supplies, without sacrificing quality.

◆ Katun is Your Number One Source for Monochrome and Color Toner for use in OKI Printers / MFPs

Katun offers a growing line of competitively priced monochrome and color toners for use in many of the most popular series of OKI printers and MFPs. Whether it's color toner for the old or new C 5000-series printers / MFPs or monochrome toner for the popular B 4250 / 4300-series printers, Katun has the quality toner you need at prices that will add profit to your bottom line.
