These new-build Katun® Business Colour toners provide outstanding value, adding to our growing line of high-quality products for use in OKI office equipment

The introduction of these new colour toners for use in OKI C3400-series printers expands Katun's already large offering of high-quality toners for OKI printers and MFPs. These new-build toner cartridges provide reliable performance, excellent colour reproduction and OEM-equivalent image density and yields. Best of all, dealers who purchase these toners will enjoy significant cost savings vs. the OEM toners – a competitive advantage, especially during challenging economic times.

Benefits:

◆ Optimized for Business Color

Katun's new-build colour toners for use in OKI C3400-series printers provide optimal quality and dependability. These new-build cartridges are an ideal choice for home office or small business workgroups printing color business documents (PowerPoint slides, color graphs, excel spreadsheets, business cards, etc.).

◆ Expense Reduction – When You Need It Most!

In today's economic environment, every business, whether large or small, is looking for cost savings and other competitive advantages. These new Katun® Business Colour toners offer you just that – significant cost savings versus OEM supplies, without sacrificing performance.

◆ Consistent, Reliable Performance

These new-build cartridges are subjected to thorough qualification and quality assurance testing in our state-of-the-art STMC-certified and ISO 17025-compliant Research and Development facility, under real-world environmental conditions. When you purchase Katun® Business Colour products, you can count on consistent, reliable performance.

◆ A Leading Source for Monochrome and Colour Toner for use in OKI Printers & MFPs

Katun offers a growing line of competitively priced monochrome and colour toners for use in many of the most popular OKI printers and MFPs. Whether it's colour toner for the old or new C 5000-series printers and MFPs or monochrome toner for the popular B 4250/4300-series printers, Katun has the quality toner you need at prices that will add profit to your bottom line.
