

HP Color LJ 3000/2700- & CP 4005-Series

Printers

Katun PN: See list on page 2
OEM PN: See list on page 2

These toner cartridges represent the newest addition to Katun's broad line of high-quality color toner for use in HP printers. Trust Katun for color!

Benefits:

- ◆ **Expanded Color Product Offering Provides Consistent Quality and Performance You Can Trust**
Katun expands its line of color cartridges for use in Hewlett Packard printers with the addition of remanufactured toner cartridges compatible with HP Color LJ 3000/2700-series and LJ CP 4005-series printers. *You can trust Katun for color:* these new toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- color reproduction
- image quality
- image density
- page yields
- fusing performance

These toner cartridges are available at significant cost savings, and provide your best overall value.

- ◆ **Quality Remanufacturing**
With 30 years of industry experience, Katun is very aware of your need for performance and quality. These remanufactured toner cartridges fit, install, and perform like OEM cartridges, and contain a compatible chip designed specifically for the designated model application; this helps make the transition from OEM toner to Katun Performance toner seamless for the consumer. All remanufactured Katun Performance products are developed and remanufactured according to ASTM, STMC and ISO quality guidelines.

Machine Overview

The HP Color LaserJet LJ 3000/2700-series and LJ CP 4005-series printers are ideal solutions for small and medium size businesses. These efficient machines provide excellent monochrome and color output and feature a quick “first page out” time of 11 seconds.

Model	Intro Date	Mfg Status	Markets	Functions	Segment	PPM BLACK	PPM COLOR
Color LJ 3000	2005	Active	WW	Printer	Small/Med Bus	30	15
Color LJ 2700	2005	Active	EU	Printer	Small/Med Bus	20	15
Color LJ 4005	2006	Active	WW	Printer	Small/Med Bus	30	25

Product Characteristics

The HP Color LJ 3000 n/dn/dtn and LJ 2700 machines utilize the same 6500-page yield Black (K) cartridge and 3500-page yield Cyan, Magenta, and Yellow (CMY) toner cartridges. The LJ 4005-series models utilize Black (K), Cyan, Magenta, and Yellow (CMY) 7500-page yield cartridges.

Color LJ 3000n/dn/dtn, and 2700n
