

Katun® Performance™ TONER & DRUMS

for use in
HP CP 1215-series Printers

Don't Risk Your Reputation by Using Low Quality Components...Use Katun's Drum and Toner System!

With Katun® Performance™ printer components, you can depend on industry-leading quality, reliable performance and competitive pricing. These Katun color components were designed and developed as a system, to ensure consistent image density, minimal backgrounding, outstanding print performance, excellent color reproduction and optimal toner cartridge life.

Why choose Katun® Performance™ products?

- Toner and drums are 100% compatible with each other
- Katun's toner formulation is specific to the requirements of the intended model series*
- These Katun chemical toners are manufactured using an exclusive patented manufacturing process that ensures quality and consistency
- Drums are conveniently packaged in two configurations: 5 per box and 100 per box
