Katun expands its product offering for use in OKI machines with this new-build monochrome toner that provides outstanding print quality and value!

The introduction of this new monochrome toner expands Katun's large and growing offering of high-quality toners for use in OKI printers and MFPs. This new-build toner has been subjected to Katun® Performance™ 360° quality certification and provides reliable, consistent, industry-leading performance. In addition, dealers who purchase this toner will experience significant cost savings vs. the OEM toner.

Benefits:

◆ **Toner Performance You Can Trust**
  Katun® Performance™ toners have been developed and rigorously tested to provide outstanding image quality, image density, page yields, fusing performance, and complete compatibility with the OEM toners. Katun's testing and evaluation protocols ensure industry-leading performance, giving you a reliable, profitable OEM alternative.

◆ **Expense Reduction – When You Need it Most!**
  In today's economic environment, every business, whether large or small, is looking for cost savings and other competitive advantages. This new Katun® Performance™ toner offers you just that – significant cost savings versus OEM supplies, without sacrificing quality.

◆ **Consistent Quality and Performance**
  This new-build OEM-equivalent toner is the result of Katun's commitment to quality and provides the same outstanding performance and remarkable print quality that is synonymous with Katun® Performance™ branded remanufactured toner cartridges.

◆ **Growing line of Monochrome and Color Toner for use in OKI Printers/MFPs**
  Katun offers a growing line of competitively priced monochrome and color toners for use in many of the most popular series of OKI printers and MFPs. Katun has the quality toner you need at prices that will add profit to your bottom line.
