

Katun® Performance™ Color Toners for use in

Samsung CLP 310/315-series

Printers & MFPs

Katun PN: See Page 2

OEM PN: See Page 2

When looking for remanufactured color toner for use in Samsung printers, choose Katun for top quality at an affordable cost!

Benefits:

◆ **Choose Katun® Color Toner for Consistent Color Quality and Performance**

You can trust Katun for color – this color toner set has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- color reproduction
- image quality & density
- yields
- fusing performance

◆ **High-Quality Remanufacturing**

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun® Performance™ toner seamless for your customers. All remanufactured Katun® Performance™ toner cartridges are developed and remanufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **Reduce Costs and Improve Your Bottom Line**

All businesses, whether large or small, are looking for ways to cut costs and gain a competitive edge. This product offers OEM-equivalent performance at significant cost savings, which means you can improve your profitability without risking customer satisfaction.

◆ **Extensive Line of Consumables for use in Samsung Printers**

Katun now offers a wide range of toner cartridges for use in today's most popular Samsung monochrome and color printers, enabling you to meet the printing supplies needs of all your customers – whether large or small.

Machine Overview

In 2008, Samsung introduced the CLP 310/315-series printer. This machine is targeted to the small office and home office work environments. The machine has a small footprint, quiet operation, and provides professional color prints. It has a monthly duty cycle of up to 20,000 pages. The Samsung 315-W model provides wireless connectivity capability.

Model	Speed (ppm) Black / Color	Intro Date	Status	Street Price	Functions
