

Katun® Performance™ OPC Drum for use in

Sharp MX-M283/363/453/503-series

Digital Copier/Printers

Katun PN: 39038 • OEM PN: MX-500NR

Switch to this Katun® OPC drum for high performance at a lower cost!

Katun is pleased to introduce a Katun® Performance™ OPC for these popular monochrome models. This drum delivers OEM-equivalent performance at a significant cost savings compared to the OEM product – providing Sharp dealers and distributors an outstanding profit opportunity on these still current machines.

Benefits:

◆ **Another Katun Exclusive!**

Sharp dealers and distributors have had no alternative to the OEM drum – until now! This Katun® Performance™ OPC is the first – and only – option for customers interested in reducing their OPC cost per print without sacrificing performance.

◆ **OEM-Equivalent Performance**

This Katun® Performance™ OPC drum provides Sharp dealers and distributors with OEM-equivalent performance, image quality and life. Maintain high levels of end-user satisfaction while enhancing your profitability!

◆ **Convenient, Drop-In Installation**

Install the Katun® OPC drum by following the OEM recommended procedure. No special installation steps are required.

◆ **Long-Term Savings**

This Katun® Performance™ drum provides Sharp dealers and distributors with the opportunity to immediately reduce their drum expenses and realize improved profitability over the life of these still-current machines.

◆ **Best Value**

Count on Katun for OEM-equivalent performance, lower costs and unsurpassed customer service. Katun Performance – your best value!
