

# Katun® Performance™ Color Toners for use in

## HP LJ CP 6015-series

### Printers & MFPs

Katun & OEM PNs: See Page 2

## These Katun color toners provide OEM-equivalent print quality and outstanding performance in 6015-series HP printers!

Katun introduces yet another addition to an already strong and comprehensive line of high-quality color toners for use in HP printers and MFPs. This new Katun® Performance™ color toner set provides outstanding performance, remarkable print quality, and significant cost savings. As these printers are still actively being sold by HP, the new Katun® color toner set provides dealers with immediate and long-term profit opportunities.

### Benefits:

#### ◆ Choose Katun® Color Toner for Consistent Color Quality and Performance

You can trust Katun for color – this new color toner set has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Color Reproduction
- Image Quality & Density
- Yields
- Fusing Performance

#### ◆ Katun's Toner Formulation for HP Printers Provides Exacting Color Matching

Using toners developed specifically for the HP CP 6015-series printers ensures image quality and color reproduction equivalent to that of the OEM toner, to meet the expectations of your most demanding HP color customers.

#### ◆ High-Quality Remanufacturing

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun® Performance™ toner seamless for your customers. All remanufactured Katun® Performance™ toner cartridges are developed and remanufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

#### ◆ Extensive Line of Consumables for use in HP Printers

Katun offers a comprehensive line of remanufactured toner cartridges for use in today's most popular HP monochrome and color printers, enabling you to meet the printing supplies needs of all your customers – whether large or small.

## Machine Overview

In mid 2008, HP introduced the LaserJet CP6015-series printers, geared towards workgroups that require network-ready color printers. These machines offered solid performance while also providing exceptional print quality, high color output speeds and faster than average first print times compared similar color printers offered by other OEMs.

Model	Speed (ppm)	Mfg Status	Functions
CP 6015DE	40	Discontinued	Print
CP 6015DN	40	Current	Print
CP 6015X	40	Current	Print
CP 6015XH	40	Current	Print

## Product Characteristics

Color	OEM PN	Katun PN	Yield*	Priced Per/Sold In
Black	CB380A (823A)	39419	16,500 pages	Priced Per Cartridge
